

Brentwood High School Ice Hockey Program Participation Agreement

Team Member Name: _____
(please print)

- A. **We understand** that upon joining the team each player commits to attend all scheduled practices, games, and other team events. As soon as the player knows of a conflict, the player (not a parent or guardian) is expected to communicate directly with the coach if they are unable to attend any particular practice, game, or other team event. Repeated absences will be dealt with as punishment in the sole discretion of the coaching staff.
- B. **We understand** that the player must follow four main rules to remain a member in good standing in the BHS Ice Hockey Program:
1. Be on time
 2. Hustle at all times
 3. Execute the directions given by the coaching staff
 4. Main a minimum GPA of 2.0 throughout the school year.

Any deviation from the above will result in loss of playing time. Serious offences will result in immediate dismissal from the team.

- C. **We understand** the BHS Ice Hockey Program is highly competitive and that playing time is reflective of effort and production. Any concerns over playing time or other player issues should first be to the team's Player Liaison. For the 24 hours following a game, parents may only approach the Player Liaison with specific player concerns – not the coaching staff. Although we may not always agree with coaching decisions, we will abstain from "sideline coaching" during the games as this confuses/distracts the players and shows disrespect to the coaching staff.
- D. **We understand** that we may be asked to give our time in assisting the program during the season (concessions, scoreboard, penalty box, etc.) and agree to cooperate. In the event of fund-raising, we agree to participate as our needs allow.
- E. **We understand** that the player is responsible for his/her equipment and uniform. Any items (e.g. jerseys, pant covers, etc) not returned when requested or returned in an unusable condition (ie mold) will be reimbursed by the family.
- F. We verify that the player has had a medical physical performed by appropriate medical personnel within the past six (6) months and is covered by adequate medical insurance.
- G. We have read and understand the policies outlined in the BHS Ice Hockey Player Handbook.
